

PROJECT AIM - Steering Committee Meeting #3

Please bring:

- Completed student media consent forms & class roster (if there are any more)
- Student work and context from your residencies

Objectives:

- Authentically share successes and challenges from residencies this year
- Share culminating events for the residencies
- Discuss possibility of next year - priorities, ideas and suggestions

Essential Questions:

- What did you discover about arts integration through the Project AIM model this year?
- How did your experiences as a veteran AIM partner develop and change this year?
- What would you change/keep if doing this unit again?
- How could we build upon the work this year if we are funded again next year?
- How would you assess success in your residency? Students? / Teacher? / Artist?

Agenda:
